## Relationship between the Course Outcomes (COs) and Program Outcomes (POs)

Mappi	ng between Cos and Pos	
	Course Outcomes (COs)	Mapped Programme
		Outcome
CO1	Identify, define and expand the world's earliest civilizations.	PO3, PO22
CO2	Analyze how the different civilizations emerge, consolidate and decline at the various time and space.	PO5, PO6

#### **Course Outcomes Assessment**

This course strongly contributes towards the programme outcome, 'Cultivate understanding the nature of world civilization' (PO22). The outcome will be measured by the performance of student in various class tests/assignments in addition to the End Semester Examination (ESE) that contains significant number of questions/problems related to this paper.
