

28.04.2023

INDUSTRIAL VISIT TO KIRBY BUILDING SOLUTIONS

(Department of Mechanical Engineering)

An industrial field visit was scheduled on 28.04.2023, Time: 11:00 PM -2:00PM by Department of Mechanical Engineering, Institute Innovation cell (IIC) and CAOC (Cooperate Affairs & outreach cell) for Engineering Students. A total of around 59 students from mechanical engineering IInd and IIIrd year were present during the visit. Dr. Sunil Panwar, Dean, FET, Mr. Sanjeev kumar lambha , Incharge, MED and Mr. Praveen kumar Pandey flagged-off the group for industrial visit. Mr. Mayank Pokhriyal, Industrial visit coordinator & IIC Member, and Mr. Kapil Dev Sharma, Garbhastra Coordinator & IIC member presented a brief overview about the company. Mr. Kavinder kumar, Lab Attendant, assisted the event by coordinating with students. An orientation talk was delivered by Mr. Dhirendra Chauhan, AGM, Kirby Building Systems, Sidcul, Haridwar. Thereafter, Mr. Saurabh Jain gave a power point presentation on Steel structure and various technical terms involved in building structures. The presentation was quite relevant with course subject: Strength of material (SOM). At the last of presentation, there were an interaction session to recapitulate the fundamentals of Strength of materials in which students responded very actively. Mr. Rajesh Kumar, HR department, gave placement orientation talk to the students. He told the students to be more focused about the goals and motivated the students through interaction and query session. Students were given practical knowledge about various machine utilized for making steel structure. Miss. Vinita Pundir coordinated the whole industrial visit with the coordinator. At the end, Group photo was taken and refreshment were given to all the students.

The poster is for an industrial visit to Kirby Building Systems. It features the Gurukula Kangri logo at the top left, the text 'गुरुकुल काँगड़ी (समविश्वविद्यालय), हरिद्वार, उत्तराखण्ड' and 'GURUKULA KANGRI (DEEMED TO BE UNIVERSITY), HARIDWAR, UTTARAKHAND' at the top center, and a portrait of a sage at the top right. The G20 India 2023 logo is on the left, and the Institution's Innovation Council logo is on the right. The main text reads 'Industrial Visit to Kirby Building Systems' in red and black, with '28 April 2023' in a yellow banner. The organizers are listed as the Department of Mechanical Engineering and Corporate Affairs & Outreach Cell at Gurukula Kangri.
