

Student Induction Program for Computer Science & Engineering Department, Faculty of Engineering & Technology (FET), Gurukul Kangri (Deemed to be University), Haridwar

(22th August to 29th August 2023)

DAY 01

On 22nd august 2023 the induction program started with the yajna by Faculty of Engineering and Technology for the first-year students as it is part of vedic culture of the Gurkula Kangri University. In yajna Prof. Vipul Sharma, Dean FET, CSE HOD Prof. Mayank Aggarwal and teaching faculty members were present. The yajna started with the vedic mantra and with the welcome address for first year students. Visit of Electrical Engineering department and Mechanical engineering department was organized.

DAY 02

On day two of the student induction program, Dr. Siddharth madhav delivered the lecture on innovation prototype validation converting innovation into startup. He explained role of the Institution in career of each student. Prof. Mayank Aggarwal introduced all faculty members of FET including CSE.

Day 03

On this day Dr. Suyash Bhardwaj explained to the newly admitted students about different online courses and how to join these courses using different platform. Dr. Nishant Kumar delivered a lecture on computer programming, artificial intelligence and real life applications. Finally students visit to the department of compute science and engineering and department of electronics and communication was organized by respective departments.

Day 04

Day four Mr. Raj Kumar Singh additional general manager, CFFP, BHEL Haridwar delivered a lecture on CFFP, a strategic unit of BHEL Haridwar. Mr. Sumit Bansal delivered a short lecture on personality traits. Mr. Nishant Garg ADBIZ communications Ranipur, Haridwar delivered a lecture on personality and distributed gifts to the students. Dr. Dharmendra Balyan delivered a lecture on physical activities in FET.

Day 05

Dr. Suyash Bhardwaj introduced the speaker Dr. Vinaya Kumar Sethi, Nodal Officer, Uttarakhand Sanskrit University. Dr. Suyash spoke about the value of resources and importance of resources. Dr. Vinaya Kumar Sethi told different stories of investments and importance of investment in day to day life.

DAY 06

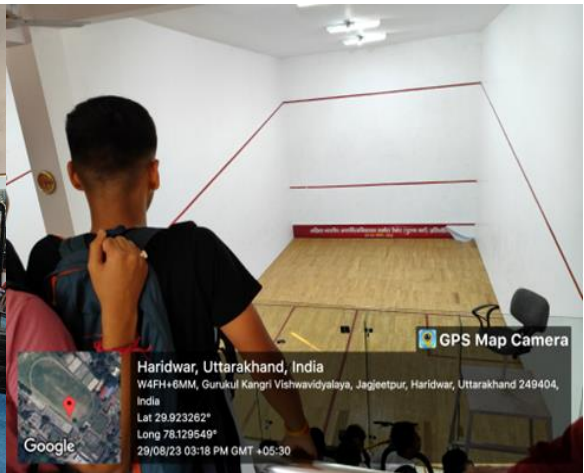

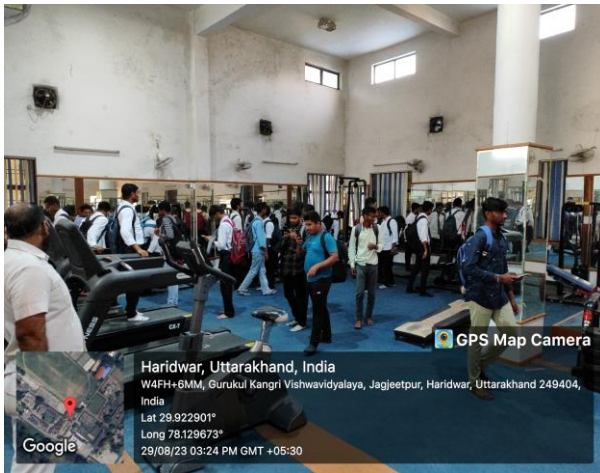

On a beautiful day of 28th August 2023, student's morning started with yajna which was followed by award giving ceremony. Top ranking students were awarded with medals to encourage and motivate them. **Mr. Prahlad Adhikari (Technohub Advisor)** discussed about some technological marvels like super computers and quantum computers. He further pressed on the issue that knowledge is more important than the placements which was an eye-opening experience for the students. Students appreciated the information provided by him. **Madam Reema Pant (Technohub Director)** wisely advised the students to choose their role models carefully. Students must balance their professional

work with other activities. Finally, all the new students visited Patanjali University under faculty supervision.

Day 07

On a warm day of 29th August, 2023 students went to the sports and yoga centre of Gurkula Kangri University. **Dr. Ajay Malik** of Department of Physical Education and Sports gave them some information about various activities in games and sports. students then visited gymnasium and various sports complexes of the university. All students then were taken to the university museum where they witnessed the relics of the past.
