on

“DESIGN COURSE OUTCOMES (Cos) AND MAPPING OF COs WITH POs

02.08.2022

REPORT

A workshop was organized by NBA Team of FET, GK(DU) with the theme “Design Course Outcomes (COs) and Mapping of COs with POs on 02.08.2022 at 03:00 pm – 05:00 pm in Computer Centre of FET, GK(DU), Haridwar. NBA Coordinator Mr. Sanjeev Kumar Lambha, Assistant Professor, Mechanical Engineering acted as the Resource Person in this workshop. He explained the importance of Bloom’s Taxonomy for writing COs and how the keyverbs are used to Design the Course Outcomes (COs). All the faculty members of FET, GK(DU) used the templates shared with them and Designed the COs of their respective courses.

After designing the COs, an exercise related to Mapping of COs with POs conducted in continuation, where the mapping is explained by Mr. Sanjeev Lambha as a four-step process. All faculties mapped their COs with POs very effectively. Faculties enjoyed the workshop enthusiastically.

Departmental NBA Coordinators Mr. Namit Khanduja (CSE), Mr. Mayank Pokhriyal (ME), Mr. Anuj Kumar Sharma (ECE), Mr. Brijesh Kumar (EE), Dr. Rudraman Singh (ASc.) provide their expert support for conducting this workshop. Mr. Apoorv Kaushik, Incharge, Computer Centre provides all the necessary technical support required for smooth conduction of workshop.

Dr. Mayank Agarwal, Head (CSE), Dr. Vipul Sharma, Head (ECE), Dr. Murali Manohar Tiwari, Head (Applied Science), Mr. Gajendra Singh Rawat participated in the workshop along with their respective departmental faculties.

A few memories of the workshop in form of pictures are attached here.
